Hi, my name is \_\_\_\_\_. I'm calling to urge the Legislature pass New York City's plan to fund universal pre-k and after-school with a small tax on the wealthiest New Yorkers.

New York City's Plan is the ***only plan*** on the table that guarantees full and stable funding for high-quality, full day Universal Pre-K and expanded after-school programs that are so critical for our children!

We've waited for over 15 years on funding. It's time Albany gives the City the right to do what more than 70 percent of New Yorkers agree with, allow NYC to create a dedicated funding stream to fund universal pre-k and expanded after-school programs.

Thank you.
